

Eco Council

Class	Eco responsibilities
Form 2	Litter monitors
Prep 3	Energy Monitors
Prep 4	Waste Monitors (paper recycling)
Prep 5	Water monitors (leaking taps)
Prep 6	Class temperatures

As part of your responsibility you will check:

Litter - check playground, field and astroturf are free from litter.

Energy - check classrooms have switched lights and whiteboards off when not in use.

Waste - check that classes have and are using paper recycling boxes.

Water - check for leaking taps in all cloakrooms and the changing rooms.

Temperatures - check and record temperatures in classes (R-P6).

This must be done once per week (random days). Results must be recorded in the notebook provided and signed by Mrs Heyhoe each week.

Litter picking rota:

September	Prep 6
October	Prep 5
November	Prep 4
December	Prep 3
January	Form 2
February	Prep 6
March	Prep 5
April	Prep 4
May	Prep 3
June	Form 2
July/ August	Edventures

Each class **must** complete at least 1 litter pick per month in school grounds (as a whole class or in small supervised groups). Litter monitors will check playground, astroturf and field weekly for litter. Please use litter grabbers provided (not hands).
